

Geneva State Bank Ambassador Club Presents

Motown May 1, 2010

Join us for a fantastic trip to the Holland Performing Arts Center in Omaha. Take a musical stroll down memory lane, as the group Spectrum sings the soulful classics you love by the Temptations, the Platters, the Four Tops and more. Their tight harmonies and polished choreography, combined with the smooth sounds of the symphony, are bound to impress and entertain.

Supper will be a special event too! We'll be dining at the famous "Omaha Press Club" prior to the 8:00 pm performance. The Press Club is a destination on its' own. A beautiful circular fireplace is the focal point of this historic building.

The cost of the trip- \$115

Includes; transportation, show admission, supper, tips taxes and gratuities. Payment is due when you sign up. Reservations must be made by March 30. Afternoon departure times will be announced at a later date for all locations.
